Host a Game Night

A game night is a wonderful way to bring families together in a fun and educational environment.

Easy Steps to make a Game Night happen at your school:

1. Coordinate a date, time and location with the powers in your school.
 - Ideal days are Thursdays and Fridays (but others work as well).
 - Time frame is usually a two hour block between 6pm and 9pm.
 - Suggested locations are cafeteria, gym, library, or some place where tables are available.
 - You might also consider coupling your Game Night with a pizza dinner
2. Contact Everything Educational to schedule your date and time.
 - Contact us at 269-273-1282 or everedmail@gmail.com
3. Enlist volunteers.
 - The number of volunteers depends on your estimated turnout but figure 9+ broken down as follows:
 - 1 volunteer to staff each game table (8 tables will serve approximately 50-60 parent/child players during a session)
 - 1 Game Night Host to make announcements, to offer directions and to time the sessions. (the use of a portable P.A. is recommended)
4. Promote your Game Night
 - You may encourage students to create posters and flyers in order to increase the excitement and build anticipation.
 - Distribute flyers around the school and community and send mini flyers home with all the children in the school.
 - Utilize the school and PTO email lists with an email two weeks before the event and then send a reminder a couple days before the Game Night.
 - Post the event in your school and community newsletters.
 - Announce the event at any community event or PTO meeting.
